

Trivia Sudoku

This Italian open source computer hardware and software company designs and manufactures microcontroller kits for building digital devices and interactive objects that sense and control objects in the physical and digital world.

Use logic to fill in the puzzle so that each of the 9 letters 'KITAROUND' appears exactly once in each row, column and 3x3 block. There is only one solution. Find the trivia answer - hidden along a shaded row, column or diagonal.

			K				I
