

Trivia Sudoku

In the movie "Lion", Saroo as a 5-year old boy from a poor family in India fell asleep on a train and woke up 1,000 miles from home. When reunited with his biological mother 25 years later, Saroo found out this was his real name, Hindi for "lion".

Use logic to fill in the puzzle so that each of the 9 letters 'LIONUSHER' appears exactly once in each row, column and 3x3 block. There is only one solution. Find the trivia answer - hidden along a shaded row, column or diagonal.
