

Trivia Sudoku

Use logic to fill in the puzzle so that each of the 9 letters 'LIMBSGONE' appears exactly once in each row, column and 3x3 block. There is only one solution. Find the riddle answer - hidden along a shaded row &/or column.

Returning to a star role for the first time in seven years, this actor portrays a revenge-seeking Boston detective in 'Edge of Darkness'

I	G		N					L
S								
				G	O			
O				S		N		
		B	O		N	L		
		E		B				G
			B	E				
								I
L					S		M	O
