Use logic to fill in the puzzle so that each of the 9 letters 'TECHBUILD' appears exactly once in each row, column and 3x3 block. There is only one solution. Find the trivia answer - hidden along a shaded row, column or diagonal.

On March 11, 1811 the \_\_\_\_\_ riots began in Nottingham, England, started by textile artisans who protested against changes produced by the Industrial Revolution - by destroying mechanized looms, inventions which they felt were leaving them without work. Today, a \_\_\_\_\_ refers to someone who opposes the advance of technology due to associated cultural and socioeconomic changes.
