

Trivia Sudoku

A Greek cave on Philopapus Hill is said to have served as the prison where this philosopher was confined.

Use logic to fill in the puzzle so that each of the 9 letters 'CAVEFORTS' appears exactly once in each row, column and 3x3 block. There is only one solution. Find the trivia answer - hidden along a shaded row, column or diagonal.

						S		
V			F					
C	A		E					
				E				F
T	C						O	A
R				S				
					O		C	V
					R			O
		T
